

Extreme MAKEOVER HOME EDITION

In March Seiji had the opportunity to donate our transportation services to ABC TV's Extreme Home Makeover Home Edition which aired on May 10. Our staff enjoyed participating in helping to make the Cerda family's dream a reality.

JEWELS OF LAS VEGAS

Seiji has recruited Las Vegas Valley's finest professional executive class chauffeurs.

Wheels Are Down!!!

As of March 12, 2009 the coveted CPCN was awarded to Seiji, LLC after two years of dedicated hard work. We started our fleet with beautiful extended Cadillac Escalades, followed by Ultra Stretch Lincoln Town Cars and coming soon.....our classic 1928 Caddy. Seiji's goal is to provide high quality customer service, dependability, and an unforgettable experience for all of our clients.

PROUDLY SERVING THE COMMUNITY

Starting March 16, Seiji partnered with a non-profit organization, Nevada Children's Center. We have been providing the children with transportation from schools to the Center and back home. A portion of the cost was donated to help support the Center's programs. It has been our pleasure helping these kids with their transportation needs.

1928 ONCE IN A LIFETIME VINTAGE

— HAND-BUILT CUSTOM DESIGNED —

A custom coach designed and rebuilt from the ground-up by a world-renowned builder. Duesenberg pilot fog lights, a six foot glass sunroof with automatic curtains, and hand-built custom leather interior all combine to make this classic a stunning jewel.

NEW CUSTOM MADE LIMOUSINES

After an extensive search we chose LCW Automotives, one of the nation's premier limo builders, to custom build our latest 2009 Ultra Stretch Lincoln Town Cars. The black interior with blonde maple birds-eye wood accents, state-of-the-art sound systems and WiFi add to the exclusiveness of these custom 5-door limousines.
